HELPING TEENAGE GIRLS LIVE WITH CANCER

Dear Supporter:

I am writing on behalf of Kaely's Kindness Foundation, a non for profit committed to helping teen girls with Cancer. The emotional upheaval of adolescence can make a cancer diagnosis even harder to cope with.

Kaely's Kindness Foundation is focused on helping other teen girls who are struggling with cancer. Kaely's Kindness Foundation is helping over 100 local teens with cancer with their unique emotional, physical and practical needs.

Kaely's Kindness Foundation is having our 12<sup>th</sup> Annual Golf Tournament on *June 16<sup>th</sup>, 2025* at Chestnut Hill Country Club. Local Businesses will have many sponsorship opportunities.
